

HIPAA & Privacy Practice Readiness Checklist

HIPAA & PRACTICE OPERATIONS TOOLKIT

- | | |
|--|--|
| ■ Privacy officer/responsibility assigned | ■ Security responsibility assigned |
| ■ Notice of Privacy Practices reviewed | ■ Privacy policies current |
| ■ Security risk analysis process established | ■ Risk-management plan documented |
| ■ Business associate relationships inventoried | ■ BAAs reviewed where applicable |
| ■ Workforce privacy/security training documented | ■ Access controls/user accounts reviewed |
| ■ Incident-response process established | ■ Breach-assessment/reporting workflow established |
| ■ Patient rights/request workflow established | ■ Secure disposal process established |

Practice _____

Reviewer _____

Priority gaps / owner / due date _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

Workforce Confidentiality & Information Security Acknowledgment

HIPAA & PRACTICE OPERATIONS TOOLKIT

I understand that patient, employee, business, credentialing, financial, and other confidential information may only be accessed, used, or disclosed as authorized for my role and as permitted by applicable law and policy.

- Use unique credentials; do not share passwords
- Access only information needed for assigned duties
- Protect screens/devices/documents from unauthorized viewing
- Use approved communication/storage systems
- Report suspected privacy/security incidents promptly
- Return or destroy confidential information when directed
- Maintain confidentiality after employment/contract ends

Workforce member _____

Role _____

Training completed / date _____

Workforce / Patient Signature: _____ Date: _____

Reviewer / Clinician: _____ Date: _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

Patient Communication Preferences & Authorization Worksheet

HIPAA & PRACTICE OPERATIONS TOOLKIT

Use this worksheet to document communication preferences. Determine whether a separate HIPAA authorization or other consent is required for the specific disclosure or communication.

- | | |
|---|------------------------------------|
| ☐ Phone call | ☐ Voicemail |
| ☐ SMS/text | ☐ Email |
| ☐ Patient portal | ☐ Mail |

Approved phone/email/address _____

Voicemail limitations _____

Persons patient requests involvement with _____

Restrictions / special instructions _____

Workforce / Patient Signature: _____ Date: _____

Reviewer / Clinician: _____ Date: _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

Medical Records Release / Authorization Planning Worksheet

HIPAA & PRACTICE OPERATIONS TOOLKIT

This worksheet helps staff collect information needed for an authorization. Use a legally compliant authorization form for the actual disclosure, including any additional requirements for specially protected records.

Patient _____

Recipient / sender _____

Purpose _____

Records / date range _____

Method _____

Expiration/event _____

Specially protected information considerations _____

Identity/authority verified _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

Privacy / Security Incident Intake Report

HIPAA & PRACTICE OPERATIONS TOOLKIT

Date/time discovered _____

Reporter _____

System/location _____

Individuals/data potentially involved _____

What happened _____

How discovered _____

Immediate containment _____

Devices/accounts/vendors involved _____

Who has been notified internally _____

- | | |
|--|--|
| ☐ Unauthorized access | ☐ Misdirected communication |
| ☐ Lost/stolen device | ☐ Malware/phishing |
| ☐ Improper disposal | ☐ Credential compromise |
| ☐ Vendor incident | ☐ Other |

Next assessment step _____

Assigned owner _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

Breach Risk Assessment & Response Worksheet

HIPAA & PRACTICE OPERATIONS TOOLKIT

Use after a suspected impermissible use/disclosure or security incident. This worksheet does not itself determine whether notification is legally required.

Incident reference _____

Nature/extent of information _____

Unauthorized person/entity _____

Whether information was actually acquired/viewed _____

Mitigation completed _____

Risk assessment conclusion / rationale _____

Legal/privacy review _____

Notification decision / deadlines _____

HHS/state/other reporting considerations _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

Patient Complaint & Grievance Form

HIPAA & PRACTICE OPERATIONS TOOLKIT

Patient / representative _____

Date _____

Contact information _____

Service/provider/location _____

Description of concern _____

Requested resolution _____

Immediate safety issue, if any _____

Staff receiving complaint _____

Investigation / findings _____

Resolution / communication _____

Follow-up / closure _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

Document Retention & Secure Disposal Planning Checklist

HIPAA & PRACTICE OPERATIONS TOOLKIT

- | | |
|--|---|
| ■ Federal requirements identified | ■ State retention requirements identified |
| ■ Payer/contract requirements identified | ■ Clinical record retention schedule documented |
| ■ Personnel/business records addressed | ■ Litigation/audit holds addressed |
| ■ Paper disposal method approved | ■ Electronic media disposal process approved |
| ■ Vendor destruction terms reviewed | ■ Destruction documentation maintained |

Record category _____

Retention period/source _____

Responsible owner _____

Disposal method _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

User Access & Workforce Offboarding Checklist

HIPAA & PRACTICE OPERATIONS TOOLKIT

- | | |
|--|-------------------------------------|
| ■ Termination/role-change date confirmed | ■ EHR access disabled/modified |
| ■ Email account disabled/modified | ■ Cloud/storage access removed |
| ■ VPN/remote access removed | ■ Prescription/eRx access removed |
| ■ Shared secrets/passwords rotated if needed | ■ Devices/keys/badges returned |
| ■ Forwarding/delegation reviewed | ■ Confidentiality reminder provided |
| ■ Audit/access review considered | |

Workforce member _____

Role _____

Completed by _____

Exceptions / follow-up _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.

HIPAA Training & Policy Attestation Record

HIPAA & PRACTICE OPERATIONS TOOLKIT

Workforce member _____

Role _____

Training date _____

Training topic/source _____

- | | |
|---|---|
| ☐ Privacy policies reviewed | ☐ Security policies reviewed |
| ☐ Incident reporting reviewed | ☐ Phishing/social engineering reviewed |
| ☐ Secure communications reviewed | ☐ Minimum necessary/access expectations reviewed |
| ☐ Patient rights workflow reviewed | ☐ Questions answered |

Additional training required _____

Renewal/review date _____

Workforce / Patient Signature: _____ **Date:** _____

Reviewer / Clinician: _____ **Date:** _____

Template notice: General educational/operational starting point only. It is not legal, medical, billing, cybersecurity, or regulatory advice and does not guarantee compliance. Customize for the practice, patient population, technology, payer requirements, clinician scope, state/federal law, and current official agency guidance. Obtain qualified legal, privacy/security, billing, and clinical review as applicable.
